

Website Overview:

1. Landing Page

- **Two buttons, for signing up to be mentor/mentee:** "I'm a Mentor" and "Finding a Mentor"

2. Registration Page:

2.1 For Mentors

- **Step 1: Professional Info Auto-Import**
 - **Option to Connect with LinkedIn or Upload Resume:** Auto-fill fields like experience, education, and skills.
 - **Manual Entry:** For mentors who prefer manual input, keep the process minimal.
- **Step 2: Preference Setup**
 - **Time Commitment:** Hours available during the week.
 - **Preferred Mentee Profile:** Select from categories such as students, early-career professionals, etc.
 - **Communication Preferences:** Video calls, messaging, in-person, etc.
- **Step 3: Profile Completion**
 - **Personal Statement:** Brief introduction or mentoring philosophy.
 - **Profile Picture Upload:** Simple drag-and-drop or upload.
 - **Availability Calendar:** Integration with existing calendars(Google Calendar, Outlook, etc.) for easy scheduling or manually input their availability onto the calendar

2.2 For Mentees

- **Step 1: Basic Information**
 - **Basic personal Information:** Simple form to collect essential details(name, email, age, language,...).
 - **Career Stage:** Choose from options like Student, Early Career, Mid-Career, etc.
- **Step 2: Goals and Interests**
 - **Mentorship Goals:** Choose areas of focus (e.g., career advice, skill development, industry insights).
 - **Industry & Interests:** Select relevant industries and topics of interest.
- **Step 3: Profile Completion**

- **Personal Statement:** Briefly describe what you're looking to gain from mentorship.
- **Profile Picture:** Optional upload for personalization.
- **Availability:** Indicate preferred days/times for mentorship sessions.

3. Dashboard for Mentors

- **Quick Stats Overview:**
 - **Active Mentees:** Number and status of ongoing mentorships.
 - **Pending Requests:** One-click approval or decline mentee(s) requests.
 - **Upcoming Sessions:** Next 3 sessions (and options to reschedule).
- **Mentee Recommendations:**
 - **AI-Driven Matches:** Suggestions based on mentor's profile, availability.
 - **One-Click Connect:** Accept or decline mentees with a single click.
- **Messaging Center:**
 - **Messaging:** Chat with mentees directly from the dashboard.
 - **Notifications:** Alerts for new messages, session reminders.

4. Dashboard for Mentees

- **Mentorship Overview:**
 - **Current Mentor(s):** View active mentorships with the ability to message or schedule sessions.
 - **Pending Invitations:** See invitations from mentors and accept or decline.
 - **Upcoming Sessions:** Overview of scheduled mentorship sessions.
- **Find a Mentor:**
 - **Search Functionality:** Filter by industry, experience, location, availability, etc.
 - **AI-Driven Recommendations:** Personalized mentor suggestions based on your profile and goals.
- **Goal Tracking:**
 - **Set and Track Goals:** Work with your mentor to set specific goals and milestones.
 - **Progress Indicators:** Visual representation of progress towards each goal.
- **Messaging Center(same with mentors' dashboard):**
 - **IMessaging:** Chat with mentees directly from the dashboard.
 - **Notifications:** Alerts for new messages, session reminders.

5. Matching System

- **Mentee Search for Mentors:**
 - **Filters:** Mentees can search for mentors by expertise, availability, and industry focus.
- **Auto-Match Suggestions:**
 - **AI Algorithm:** Matches mentees based on the mentor's profile, preferences, and availability.
- **Mentor Profiles:**
 - **Detailed View:** Mentees can view mentor profiles, including their background, expertise, and availability.
 - **Connect Button:** Easy access to send a connection request to a mentor.

6. Interaction & support(Shared)

- **Session Scheduler (Shared):**
 - **Integrated Calendar:** Sync with Google Calendar, Outlook, etc.
 - **One-Click Scheduling:** Mentees and mentors can propose or confirm session times with a single click.
- **Progress Tracking (Shared):**
 - **Mentee-Driven Goals:** Mentees can update goals and track their progress collaboratively with their mentor.
- **Feedback & Reporting (Shared):**
 - **Feedback Loop:** Mentees and mentors can provide feedback after each session.
 - **Progress Reports:** Mentees can generate reports to review their mentorship journey.

7. Support & Reporting (Shared)

- **Help Center:**
 - **FAQs, Guides, and Support Chat(option to chat with ai, or wait for supporter):** To assist with any issues.
- **Reporting Tools:**
 - **Mentorship Summary Reports:** Mentees and mentors can generate reports summarizing their progress and sessions.
 - **Request Support:** Easy access to platform support for technical issues or feedback.
